

Safeguarding Policy

Policy Statement

KEITS Training Services Ltd aspires and endeavours to ensure that all necessary steps are taken to protect learners and staff from harm.

This policy establishes KEITS's position, role and responsibilities in regards to safeguarding and clarifies what is expected from everybody involved in KEITS. It clearly highlights the importance placed by the KEITS in the protection of its learners and staff team.

Policy Responsibility

Every learner who undertakes a training programme managed by KEITS or anyone employed by KEITS should be able to participate in an enjoyable and safe environment and be protected from harm. This is the responsibility of all of KEITS stakeholders. KEITS recognises harassment and abuse can be an emotive subject and it is important therefore to understand the feelings involved and not to allow them to interfere with judgment about any action that needs to be taken.

KEITS recognises its responsibility to safeguard and promote the welfare of children, young people and vulnerable adults by protecting them from physical, sexual or emotional abuse, neglect and bullying.

The Children Act 1989 defines a child as anyone who has not reached their 18th birthday. The fact that a child has reached 16 years of age, is living independently or is in further education, is a member of the armed forces, is in hospital, in prison or in a Young Offenders' Institution does not change his or her status or entitlement to services or protection.

This policy is written in accordance with (local) Safeguarding Children Board Procedures.

KEITS endeavors to provide impartial Advice and Guidance for all.
