

Careers Tree

Success Stories:

Niles has completed two KEITS apprenticeships (Business Admin Level 3 and Customer Service Level 2) and is currently in the process of completing a third (Team Leadership Supervision Level 3). My apprenticeships have helped me progress within my career as well as a person. All the courses I have taken cover a wide range of topics, which has helped me become a competent and well-rounded employee and progress within my company. Niles is now a Compliance officer within his company and manages a helpline for Ukraine hosts/sponsors covering the whole of East Sussex. Niles says he would recommend KEITS apprenticeships to anyone wanting to expand their knowledge and progress their career within business.

When I left school, I went to college and sixth form and decided it wasn't for me, so I went down the apprenticeship route. I started my Level 2 Business Administration Apprenticeship with KEITS in 2016; I then went on to complete my Level 3. During my apprenticeship, I was taken out of my comfort zone and had to complete tasks I wasn't too confident in doing. My Assessor was terrific in helping me feel less anxious and keeping my spirits up. I gained loads of skills during my apprenticeship, confidence, friends and, of course, my Level 2 & 3 Qualification. Since finishing my training, I have been employed by KEITS as a full-time member of staff, working with our BD team with confidence and skills that I never thought I would have, thanks to the support of KEITS.

"The support I received from my employer and KEITS was tremendous."

Available courses with KEITS:

- Level 2 Customer Services Apprenticeship
- Level 3 Business Administration Apprenticeship
- Level 3 Customer Services Apprenticeship
- Level 3 Leadership and Management Apprenticeship
- Level 3 Learner Mentor Apprenticeship

"My KEITS apprenticeship helped me to gain the skills needed to gain a promotion after I qualified"
