BREAKING NEWS

NEW!

Animal Care & Welfare Manager Level 3 Apprenticeship Standard

In the last week of November the long awaited Level 3 Animal Care & Welfare Manager standard went live. KEITS are now beginning to sign up apprentices onto this standard.

The Animal Care & Welfare Manager is an important role within the animal care workplace. They will typically have completed the Animal Care & Welfare Standard L2 or equivalent and have been working in animal care for at least a year.

Building on what has been previously learned, in this role they will be overseeing the day to day running of the business ensuring that all routine duties that are essential to the day-to-day welfare of the animals are carried out to the required standard.

If you are interested in the Level 3 Animal care and Welfare Manager Standard contact our BD team now on 0208 327 3800 or info@keits.co.uk

Just in case you missed the news!

In August we had our OFSTED inspection and we are thrilled to say we received a GOOD!

We continue to offer a high standard of training to our apprentices providing them with the skills and experience they need for their future careers.

Learners of the Month!!

KEITS' Learner of the Month scheme continues to recognise and congratulate our hard working learners.

Learners can be nominated by either their training consultant, or employer and are featured on our social media platforms before receiving a certificate. These learners have demonstrated a high level of dedication, knowledge and skill in their chosen industry.

HUGE Congratulations to our latest learners of the month!

Give the Gift of CPD!

Why don't you treat yourself or your staff this Christmas with the gift of knowledge.

CPD is the gift that keeps on giving. CPD has proven to increase staff retention and productivity whilst building confidence in those who take it.

KEITS have a HUGE range of CPD courses available for less than £30. Discount are available for multiple orders.

Every KEITS apprentice is entitled to one free CPD course, just ask your Training Consultant on how to claim!

KEITS Special Recognition Award

Congratulations to Katie McQueen who was nominated for a KEITS Special Recognition award by her Training Consultant Zoe Trup.

Zoe Said; "Katie has worked tirelessly during the course of her apprenticeship in level 2 dog grooming. She has juggled a busy home life as a mother alongside her studies and responsibilities within the parlour. Throughout the time I have worked with Katie, she has remained positive and motivated to achieve her qualification. Her manager, Cara, has expressed how she continually goes above and beyond in the workplace with her cleaning and attention to detail, making her an asset to the team and someone with whom she could not do without.

Prior to the completion of her qualification, Katie had cemented a position in the workplace and has achieved a well deserved distinction overall! She has been an absolute pleasure to work with, visit and liaise with and I wish her the very best for the future. The feedback from her End Pont Assessor was that she will be a fantastic groomer, a sentiment which myself and my colleague Andrea surely agree with. Well done Katie!"

Congratulations Katie and good luck in your career.

Business services apprenticeships with KEITS

Did you know KEITS offer Team Leading, Business Admin and Customer Service Apprenticeships?

We offer these across ALL industry sectors, from golf courses, to garden centres, from dog groomers to doctors surgeries and everything in between. Our apprenticeships are tailored to suit specific business needs.

Employers can choose to upskill current staff, or KEITS can help you recruit a new apprentice FREE OF CHARGE.

KEITS have a 100% success rate across all three apprenticeships at EPA (End Point Assessment) so your new apprentice is in safe hands with expert training and guidance.

Vet Care Assistant pathway

Did you know that KEITS can offer Animal Care Apprenticeships with Vet Care Pathways, perfect for those working within a Veterinary Practice.

Our veterinary pathway is the perfect course geared to prepare applicants for progression onto the veterinary nursing qualifications. The pathway is suitable for those in veterinary set up or a rescue centre with a veterinary department as the criteria does require evidence and experience in anaesthesia, rays and end of life care.

Topic areas include:

Anaesthesia
End of Life Care and supporting the owners
In Patient Care

A HUGE benefit for the course is that it allows staff to see if the industry is for them and if a veterinary nursing role is something they would be interested in progressing onto in the future.

Our course allows the employers to ensure their future veterinary nurses are really motivated and passionate about the industry before they offer a nursing placement to them.

National Apprenticeship Week 2024

5-11 FEBRUARY 2024

#NAW2024

IT'S NATIONAL APPRENTICESHIP WEEK

As the year is coming to an end we are looking towards the new year and new opportunities. National Apprenticeship Week is just around the corner and this year we are looking for your help!

Would you like to feature your business as part of our celebrations?

Have you got a special apprenticeship story you would like to share?

Is your apprentice making waves in the industry and would be a good ambassador for other potential apprentices in the future?

Are you an apprentice who would like to share how your apprenticeship has helped you?

We would love to share your stories on multiple platforms and share with the world the benefits of apprenticeships gaining exposure for your business.

Email us on recruit@keits.co.uk if you would like to take part.
